

NATIONAL INSTITUTE OF INDUSTRIAL ENGINEERING (NITIE) MUMBAI

(An autonomous institute under the Ministry of Education, Govt. of India, Vihar Lake Road, Powai, Mumbai – 400087)

Date: 18/02/2022

National Institute of Industrial Engineering (NITIE) was founded in 1963 as a collaborative effort between the Government of India and the International Labor Organization. NITIE prepares students for a seamless induction into industry and academia by blending management principles and technical skills. NITIE has been providing solutions to the complex problems of industries. Currently, NITIE has 9 research areas, 3 Postgraduate programs and a Fellow program.

Brief about the Project

Sustainability Performance Assessment has been the talk in the industry for meeting SDG. Life Cycle Assessment is one of the tools for assessing the same for all sectors alike and Waste Management is one such stream which needs to be mitigated for reducing the environmental impact. The project assesses the performance of waste management technologies for better decision making on environmental metrics.

NITIE invites applications from the interested candidates for the position:
