

NATIONAL INSTITUTE OF INDUSTRIAL ENGINEERING (NITIE) MUMBAI

Vihar Lake Road, Powai, Mumbai – 400087

(An autonomous Institute under the Ministry of Education, Govt. of India)

National Institute of Industrial Engineering (NITIE) was founded in 1963 as a collaborative effort between the Government of India and the International Labor Organization. NITIE prepares students for a seamless induction into industry and academia by blending management principles and technical skills. NITIE has been providing solutions to the complex problems of industries. Currently, NITIE has 9 research areas, 3 Postgraduate programs, a fellow program, and various executive development programs. Further details at www.nitie.ac.in.

The research project proposes to analyze the role of women in corporate boards of family firms in India through quantitative and qualitative analysis. Companies' Act 2013 enacted the nomination of one independent woman director on the board of listed firms. Few studies post that have considered the effect of the presence of women on board on the firm performance and sustainability goals. This research goes beyond these functions to analyze whether the depth and breadth of involvement of women on the board in family firms that cover 93% of the BSE-listed firms in India. The project is attempted to contribute to the understanding of corporate governance, diversity and inclusion and gender studies.

NITIE Invites Application for
