Chairman's Message

Mr. Shashi Kiran Shetty

Chairman, IIM Mumbai

An institution renowned for its excellence, IIM Mumbai has pioneered world-class education for 60 years, proudly furthering growth, innovation, and nation-building. At IIM Mumbai, we have taken it upon ourselves to nurture the hopes, dreams, and talents of the best and brightest young minds from across the country. Over the years, our alumni have continued to broaden business and entrepreneurial horizons, propelling leading organizations in India and all over the world to great success. In an increasingly complex and dynamic landscape, we, at IIM Mumbai, aim to build skills that help our students be agile, flexible, and think creatively.

Our course content deliberates on relevant, real-world business challenges, and we constantly evolve to stay ahead of the curve and keep up with global trends. With a razor-sharp focus on academic and research excellence, backed by strong industry collaborations, we impart learning that enables value creation and impact for diverse organizations. Sectoral expertise, people proficiencies, overall skill development—our comprehensive courses cover them all. We strive to groom inclusive, resilient, and powerful leaders of tomorrow.

My dear students, as you stand on the threshold of the next phase in your journey, I welcome you to dream big and chart your path ahead with confidence and courage. Together, let's live by our motto of 'ज्ञानम् जयति सर्वत्र' or 'Knowledge Triumphs Everywhere' and drive progress for industries, our nation, and the world at large.

Director's Message

We at IIM Mumbai are all set to make it to the top of the Innovation and Incubation race with first-class facilities and infrastructure, bringing Problem Solvers closer to Solution Seekers. We are also adding a state-of-the-art Student Activity Centre equipped with everything necessary to ideate and bring to life any service or product. We promote a nurturing and supportive environment to boost our Entrepreneurial Ecosystem, comprising the best minds from Engineering, Management, and our Fellow Students.

Our industry connections are unprecedented and continue to expand their horizons, providing steady support from leading FMCGs and corporations across the world. These initiatives are in line with our vision and mission of realizing our idea of a Manufacturing Renaissance and of advancing transformative education and industry-inspired research in Industrial Engineering.

Best Wishes,

Dr. Manoj Kumar Tiwari

Director, IIM Mumbai

Campus Immersion

Campus Immersion

The Campus Immersion Programme at IIM Mumbai is designed to enhance the executive MBA(MBA-BPGP) experience by providing students with direct interaction with faculty and peers. The programme consists of two immersions, one week each, the first occurring during Module 4 and the second after completing the course in Module 8. Each immersion carries 4.5 credits and is mandatory for all students. The student must make their own arrangements for travel, food, and accommodation. Students are encouraged to participate in both immersions to maximize their learning and networking opportunities.

Capstone Project

Capstone Project

The Capstone Project is designed to enhance students' self-learning and multidisciplinary problem-solving skills by addressing real-life business challenges. It focuses on developing essential project management concepts, including project planning, time management, and the multidisciplinary nature of business problems.

Evaluation Criteria:

Students will be assessed based on:

- Problem identification and description
- Literature review
- Problem-solving approach/methodology
- Results and demonstrations
- Presentation and project report preparation

Each student is required to submit a digital copy of their project report to the Institute. While the formal evaluation will take place in Module 7 for a total of six credits, students are encouraged to start identifying their project topics and seeking guidance during the first immersion or by the end of Module 5. Faculty advisors will assess the Capstone projects.
