Date: 10.01.2025

Advertisement for the position of Data Scientist at Data Science Lab, IIM Mumbai

The Data Science Lab at IIM Mumbai advances Analytics and Data Science through research, industry collaboration, education, and entrepreneurship. The lab focuses on research in Supply Chain Optimization, Machine Learning in Operations, AI in Manufacturing, and Digital Supply Chains. It facilitates industry-academia collaboration to address data science challenges, trains executives, expands the data science talent pool, and supports startups and entrepreneurs in data science applications.

Data Science Lab at IIM Mumbai Invites Applications from the interested candidates for the position:

Post: Data Scientist (for one year on contract)

Essential Qualification: Ph.D./M.Tech/Dual Degree/Equivalent degree/B.Tech (with 2 years of experience) in Computer Science, Mathematics, Statistics, Operations Research, Scientific Computing and Industrial & System Engineering, and having at least two papers published in Q1 journals.

Desirable qualification:

Good quantitative background with proficiency in Optimization, Data Analytics. Strong computation skills with experience in handling software like R, Python. Knowledge and experience in Artificial Intelligence (AI), Machine Learning (ML) and Deep Learning (DL) would be an added advantage.

Job Profile: The selected candidate will be engaged in conducting research, coordinating with industry stakeholders, developing algorithms, building data-driven applications, and solving business problems.

Skills: Applicants should:

- have excellent written and verbal communication skills
- must be self-motivated
- be able to work in a team
- have strong research and problem-solving aptitude

Remuneration: The monthly salary will be in the range of Rs. 80,000-115,000/-pm (consolidated). The amount will be fixed based on the qualifications, experiences, and recommendations of the selection committee. Preference will be given to the candidates from the top 20 NIRF institutes. The amount will be fixed based on the qualifications and experience and recommendation of the Selection Committee.

Interested persons may send a soft copy of their CV by e-mail “**Application for Data Scientist**” to SRIC Office: sric.tech@iimmumbai.ac.in, within two weeks from the date of this advertisement.

IIM Mumbai – 400087

Date: 10.01.2025

The employment is purely temporary in nature and will be for a period of one year which may be extended based on the assessment of the candidate's performance. Eligible candidates will be called for an interview as per the recommendation of the screening committee. Fulfillment of minimum qualification is not a claim for receiving an interview call. The Institute reserves the right to reject any/all applications without assigning any reason. No interim correspondence will be entertained.
